EMPOWERMENT

The Child & Family team works with children and youth at risk of out-of-home placement, using a family-centered, wraparound approach to create a personalized treatment plan.

A wraparound facilitator works with the family to convene a team, which meets monthly, and may consist of family, friends, neighbors, professionals, and others who are important to the youth and family.

This service model allows Child & Family to maintain our program goals to:

- Reduce out-of-home placements and decrease inpatient hospitalizations
- Provide a more complete continuum of community-based services and supports
- Ensure families have access to parent partners & support services
- Prevent entry into the foster care system or relinquishment of parental custody
